

Hotels and Resorts

M Resort – Las Vegas, NV

Sheridan – Telluride, CO

The Woodmark Hotel – Kirkland, WA

Enomatic Wine Serving Systems have grown popular among all hospitality environments especially **hotels and resorts**.

Many hotels are now utilizing Enomatic to provide a new wine experience for added value for their guests.

Examples of Enomatic use at hotels includes:

- Installation in the main lobby or entrance – to greet guests upon arrival
- At the main bar or VIP Lounge & Guest Rooms
- At an existing wine bar or wine cellar
- Inside hotel day spa
- For conferences and buffets

Grand Sierra Resort – Reno, NV

With enomatic's elaborate product line, there are a number of systems and options to customize a wine experience at any resort.

Add Enomatic signature wine card feature, and allow visitors to access their own wine.

Treat your guests to a new wine and hospitality experience....
