

## New this week

July 26, 2007 **Noble Food & Wine** Mahogany walls, marble flooring and Philippe Starck furnishings signal serious style at this 40-seat newcomer. Daniel Dorado (Maremma) is in the kitchen dispatching simple, upscale eats like sweetbreads with barley. Wine lovers will appreciate the Enomatic, a wine preservation system, stocked with Lafite and Margaux by the glass. *7 Spring St between Bowery and Elizabeth St (212-777-0877)*
